Message of the President

It is honor to express my kind gratitude as President of prestigious society JCSCC. This is a wide put together term with specific accentuation with respect to 'understanding and enhancing life', as our moto goes. It has an essential task to carry out in the trustworthiness of minding mankind over the way of life of Pakistan. It is imagined helping get upgrades in training of value in Moral, Ethical and social qualities. The idea of '**Women Integrity**' care is completely tended to at JCSCC through consideration of the range of life regime. The innovative approach as compared to other forums that are serving women in Pakistan, JSCSS targets the core of women integrity through personification of Environmental strategies other than women empowerment only. This web platform extensively induced with the cross religions and cross-cultural aspects and exclusively address the issues of young women in Pakistan.

JCSCC bears an overwhelming obligation to guarantee nature of its part contributions as preparing by Psychological activations, development and relevance in the settling issues of social limitations looking by the women across the nations. Each one of the individuals who join JCSCC will be given equivalent chances to develop as adjusted people and the best parental figures, accepting challenging condition in our core values. We expect to impart, in our individuals, an enthusiasm to be of administration to humanity while leaving on a testing however fulfilling the expectations for everyday comforts. With our diversely experienced Members of Executive Board at JCSCC' constituent and affiliated institutes, our members will be trained to pay attention to detail with a view to becoming a reference point for the care related aspects in the social life. At JCSCC, we are working hard to push the boundary of knowledge, investing time and energy in creating a lavish environment in all our fields of serving and analysis. We intend to rise to the expectations of our society.

S.M. Ali Farhan
President JCSCC

Our Impact on Society

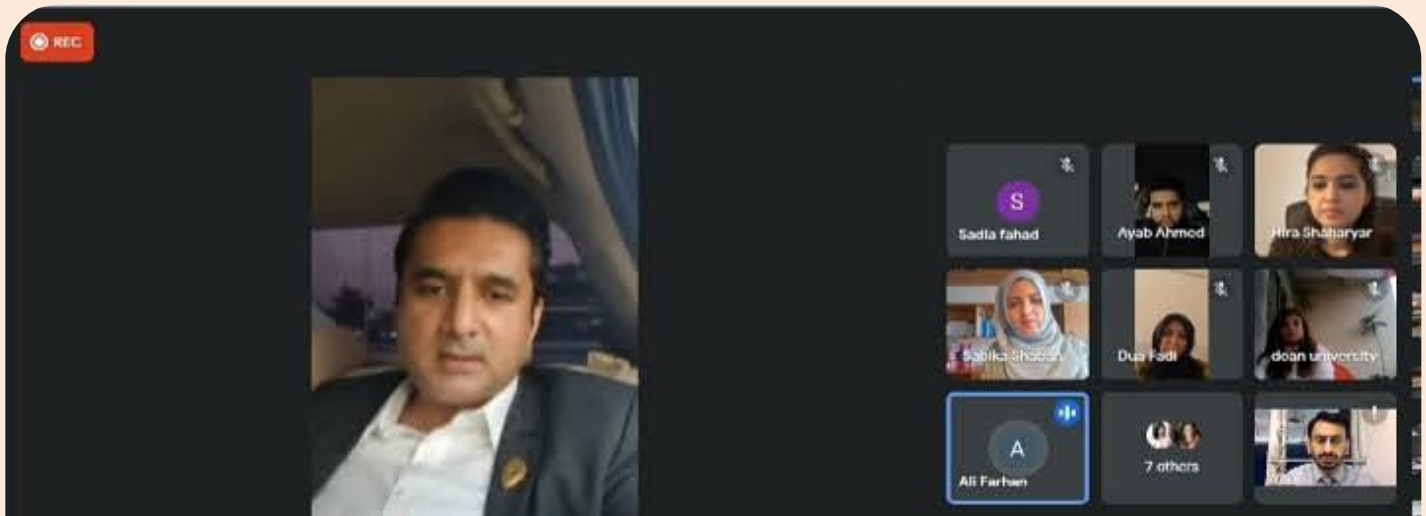

JCSCC is the leading web platform in Pakistan to produce and air several awareness raising campaigns on social issues through mainstream media. The Society chose to innovatively address women's issues through its comparative approach that focus on important social issues, deconstruct myths, create dialogue and discussion among audience and most importantly provide a solution oriented approach to dealing with these problems.

Being involved in the personal mainstreaming of low-strength women, JCSCC productions have laid great emphasis on the positive spillover effects of women's personality building. The webinar and Tele Conferences series are based on real life stories and narratives, to hold up a mirror in society by highlighting gender equity. Moreover, the Virtual series have introduced with distinguished women as speaker to explore the hidden effects of problems in the current era.

Inspirable Personalities for President

Prof. Dr. M. Akhtar Khan (Late)

Professor M. Akhtar Khan remained Principal of King Edward Medical College Lahore, Pakistan from 1973 to April, 1979, Professor M. Akhtar Khan was a remarkable person of growth in the history of King Edward Medical College Lahore, Pakistan. After Professor Riaz-e-Qader the name of Professor M. Akhtar Khan stands out distinctly as architect of the academic units of the college. He has been considered as an excellent teacher, pious physician, a capable administrator and a wise counsel.

Prof. Dr. Syed Zafar Haider (Late)

Professor Syed Zafar Haider had versatile experience in subject of General Surgery he was retired as Professor of surgery from Nishtar Medical College Multan and also worked as Consultant General Surgeon at Mayo Hospital and LGH, Lahore, Principal Islamabad Medical & Dental College Islamabad, Pakistan. He was not only a good surgeon beside this he was blessed with kind humanity as well as with Patience to face the hard circumstances of life. I always remember his good deeds as he was man of spiritual integration though I have not met with him. This is the real means of inspirations that he had such type of strong personality.

Lt Gen [R] W.A. Barki (Late)

Gen. W.A Barki was the man of great intellect who served the Medical field of Pakistan in highly remarkable means. He was the first person who introduced the concept of Post Graduate training in Medicine and Surgery in Pakistan and established College of Physicians & Surgeons Pakistan. CPSP is the prestigious Institution of Pakistan with providing diverse and quality Education with Training to the Medical Doctors. He was founder of CPSP. I love his soul as his name retained on the top list of devoted persons of my father.

Tribute for Mentors

Ms. Shireen Kamran

Ms. Shireen is my teacher in my school life decades. She is exclusively blessed with remarkable capabilities to construct and maintain the relations with keen emotions and feelings. She served as an excellent teacher with kind heart of nobleness to the students of their time.

Maj Gen [R] Suhaib Ahmed HI [M]

Gen. Suhaib Ahmed served as Deputy Commandant Armed Forces Institute of Pathology, Rawalpindi, Pakistan. Gen. Suhaib has been blessed with deep rooted emotions by applying his conventional strategies in the field of Medical science and Technology. He is renowned person who started PCRs Test in Paksitan. Moreover, he design and manufacture thermocyclers by himself. He established Centre of Genetics in Karachi, he has done more than 7000 prenatal diagnosis. I am confiedent to express that he is not only man of sciences other than he is Noble General officer with serving humanity even from his outreach resources. He is very calm and humble. Gen Suhaib is very kind-hearted person and really asset of our country.

Maj Gen [R] Shahab Naqvi HI [M]
